Dear Mr. Opher,

Thank you for your note of 6 July. I do recall discussions about the reopening of the Middle Eastern railroad, and hope you will continue with the development of whether this can become a live issue again.

I think the appropriate place to lodge the idea is with the Assistant Secretary of State for Near Eastern and South Asian Affairs, and I am taking the liberty of sending your papers on to him.

Sincerely,

William J. Casey

Dr. Philip Opher
